Each purchase by Airbus DS Government Solutions, Inc. ("Airbus DSGS") from a supplier ("Seller") shall be governed by these Standard Purchase Order Terms and Conditions ("Terms"), unless the parties have entered into a written agreement setting out applicable terms and conditions and expressly stating that such terms are intended to supersede these Standard Purchase Order Terms and Conditions. Seller agrees to sell, and Airbus DSGS agrees to buy, the goods, articles, materials, or services ("Goods") described on an Airbus DSGS purchase order ("PO") for the price, at the time, and on the terms of payment shown on the PO. The PO and the provisions of any drawings, prints, plans, descriptions, specifications, representations, samples, data, flowdowns, prime contracts, and other documents referred to therein and adopted by reference ("Documents") constitute the entire agreement relating to the purchase of Goods and supersede all prior proposals, negotiations, and counterproposals. As used herein, the term "PO" shall include all Documents related to such PO.

- (a) By providing the Goods described in the PO, or commencing performance of the services included within the Goods described in the PO, Seller agrees to the terms set forth in the PO. Such proposed additional terms will not be binding unless agreed to in writing by an authorized representative of Airbus DSGS referencing the PO to which such proposed additional terms apply. Commencement or performance by Seller in the absence of Airbus DSGS's agreement to such proposals will constitute Seller's acceptance of the terms and conditions set forth herein.
